## ● Federal Corruption Watchdog

Lets stop the rot with a Federal Corruption Watchdog.

We want to fight corruption and keep politicians honest.

## ● Defend marriage

We will defend the definition of marriage as one man and one woman.

We have been defending marriage for 35 years, and will continue to do so.

## ● No changes to Superannuation

We believe it's not fair to change the rules and taxes on Superannuation.

## ● Protect children - stop 'Safe schools'

I will fight to protect children from the increase in sexualisation and abuse.

This includes removing programs like 'Safe-Schools'

## ● No Medicare cuts

We will stop the Government's cuts to Medicare and health.

## ● Keep Aussie assets, Aussie owned.

Stop the government selling off our vital national assets to foreign countries. We will oppose the sale of major Australian assets to foreigners.

## ● Support Free Speech

The Greens and Labor want to further restrict what you can say and think. We will defend your rights to free speech and other civil liberties.
