**A Voice
For Values**

**The Christian Democratic Party is the only party
you can TRUST to be the conscience of our nation**

The **CDP** is a voice for:

- **The traditional definition of family and marriage - marriage between one man and one woman**
We support a plebiscite based on the principles of a referendum on proposed changes to the Marriage Act, drawn up by objective legal experts.
- **One law for All – Australian Law**
No Sharia Law, Australian law only. We call for a full and public federal investigation into the halal certification industry and full accountability as to all proceeds and profits by that industry.
- **Our children – protecting them from the 'agenda against gender'**
We seek to end the (un)Safe Schools program with its Marxist, gender diminishing agenda.
- **Defend our Religious Freedom and Freedom of Speech**
We support the removal of the words 'offend' and 'insult' from section 18C of the Racial Discrimination Act 1975.
- **No cuts to Medicare - end the freeze**
We support an accessible and affordable health care system for all Australians. We do not support co-payments, or co-payments by stealth through the proposed freeze on Medicare funding.
