1. 2016 FEDERAL ELECTION

All attention by the radio, MPs, etc is focused on the Federal Election to be held on Saturday 2 July 2016. This election has two new elements which will have a major impact on the election result:

- The first is a Double Dissolution Election where voters will elect twelve new Senators, not six which is the normal number. Electing 12 new Senators instead of 6 reduces the quota required to be elected by 50%.
- The second important new element is the new Senate voting system. The old system allowed political parties to manipulate the preferences, which allowed micro party candidates to be elected with only 400 primary votes. Hopefully this new system, where voters select their own preferences, will result in Senators being elected who are qualified and have a vision for Australia's future. Such Senate Candidates have been nominated by our *Christian Democratic Party* and deserve to be elected, as they will truly serve our Australian Nation under Almighty God.

2. QUEEN ELIZABETH II – A MODEL SERVANT OF THE PEOPLE

We congratulate Queen Elizabeth II on her 90th birthday and the way she has fulfilled her promise in 1953 to give her life to serve the people and the Commonwealth of Nations, including our Nation of Australia.

Our *Christian Democratic Party* is the only political party that is committed to support our Constitutional Monarchy because it has given great stability to our Australian democracy.

However, we face a major threat from both the future Prime Ministers of Australia who strongly support an Australian Republic – that is Malcolm Turnbull (Liberal) and Bill Shorten (ALP). They both, if elected as Prime Minister, will implement a republic, even though a republic was soundly rejected by the Australian people - even while a republic was supported by all the media, TV, newspapers and political parties.

If necessary, our *Christian Democratic Party* will defeat any future referendum for a republic, with Almighty God's help, for our Australian Nation's future.

God Save the Queen!

3. FINAL MOBILISATION IN THIS LAST WEEK

4. 'D' DAY – DEATH OF MARRIAGE DAY – MONDAY 10 OCTOBER 2016

The 10 October 2016 is the day the ALP opposition leader Bill Shorten has promised to legalise marriage between two homosexual men. He will do it 100 days after and if he is elected as Prime Minister on 2 July 2016.

We need to trust the Lord God's support as we campaign to keep His institution of marriage between a male and a female. God's Holy Will was revealed in Genesis 2:24 *"Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh."*

Our Lord Jesus Christ quotes this same verse when questioned about marriage: *"And he answered and said unto them, Have ye not read, that he which made [them] at the beginning made them male and female"* (Matthew 19:4).

The reality is TWO MEN can never become ONE. Only a husband and wife, in a loving relationship, can become one flesh as they are blessed by Almighty God and conceive new life - their sons and daughters. TWO MEN can never conceive a child.

5. AGGRESSIVE ATTACKS ON CHRISTIANITY

In former years, anti-Christian political parties and organisations would IGNORE the churches.

July 2016

However, the tide has changed. We are now experiencing outright AGGRESSION against Christianity, churches and Christians.

The anti-Christian *Sex Party* has launched an aggressive attack on churches: It recently quote: "Declared war on the Catholic Church" as representing all churches.

The ALP and Greens have also announced they will remove all exemptions for churches and Christians from anti-discrimination laws. They will completely ignore the right of all Christians to obey their conscience under God's guidance.

The Greens candidate in Hobart has laid complaints against Archbishop Julian Porteous under the Tasmanian Anti-discrimination Laws. Silvana and I said we would use this issue in the Federal Election, so the Greens have dropped their complaint against the Archbishop.

6. NATIONAL PARTY RESTRAINS MALCOLM TURNBULL

Deputy Prime Minister Barnaby Joyce is standing for New England. Tony Windsor, who helped elect the ALP Julia Gillard Government, is trying to defeat Barnaby Joyce. Voters should NOT trust Tony Windsor or Oakshot or Katter who are trying to get elected so they can again oppose the Turnbull Government if it is elected on 2 July 2016.

7. XENOPHON IS NEW POLITICAL PARTY

His new party is polling high results in recent surveys and could win up to three Senate seats. The big question is, what does the Xenophon Party stand for? Can it be trusted? Would his new party obstruct the Turnbull Government as previously occurred in the Senate? This new party has shown no interest in the major moral issues. There are also media reports of his party concerning financial investments.

Finally, as we face Election Day 2 July 2016, we call on all voters to put the *Christian Democratic Party* Number 1 on the Senate and House of Representatives Ballot papers and vote YOUR OWN Senate preferences such as Liberals 2, National Party 3, Family First 4, ALA 5, S F Farmers 6, AC 7, etc.

For the House of Representatives you have to vote for EVERY candidate – Vote 1 for our *Christian Democratic Party* candidate and 2 for Liberal/National Party as the best of two choices.

May the Lord richly bless you and your family and give our CDP candidates victory on 2 July 2016.

GOD, ISRAEL & AUSTRALIA

THE DESTINY OF NATIONS

A Call from Jerusalem to Australia

2017 is the centenary of the ANZAC liberation of Beersheba and in 2017, Israel and our ANZAC nations are headed for a convergence of 6 historic and prophetic events that will never again be repeated. At the Battle of Beersheba, ANZACs spearheaded the British Empire's attack that ended 400 years of Islamic control over the Land of Israel and opened the way for the Jews' national return to their ancient homeland. Six weeks later, General Allenby walked into Jerusalem and the city of Messiah was liberated from Islam.

Stan Goodenough's message to our nations is the call to align with God's restoration of national Israel – people to land and land to people (Joel 3) so the sacrifice of the lives of the ANZACs is not in vain.

Stan Goodenough is a South African gentile who has lived in Jerusalem for a quarter of a century. A Christian journalist, writer and tour guide, he believes passionately that Australia is being offered a unique opportunity to lead the way in supporting Israel's God-given and legitimate right to extend sovereignty over its restored land.
