**MEDIA RELEASE**  
RALY IN SUPPORT OF LIFE  
UPDATE ON ABORTION LAW  
**For immediate circulation**

**Urgent Notice!**

A massive pro-life rally is being planned for this coming **Sunday, 15 September 2019**, from **2:30 to 5:00pm**, at the **Archibald Fountain in Hyde Park, Sydney**.

Rev Fred Nile MLC has said that *“all those who support the rights of the unborn are urged to make their voices heard this Sunday.”*

Debates will continue on the extreme abortion law known as the “Reproductive Health Care Reform Bill” with a number amendments being introduced into the Legislative Council in the following week, starting Tuesday. Under the Bill:

- Children can be aborted for any reason right up till the final moments of a pregnancy.
- Amendments to protect children who survive botched abortions attempts were defeated.
- There are no safeguards to prevent targeted abortion based on gender or disability.
- Doctors and medical staff are compelled to participate (by referral) in the taking of an innocent life.
- The devastating impact of abortion on women and the real needs of women facing an unplanned pregnancy have been ignored.

*“This will be the last chance that the public will be able to express its concerns about this bill on a weekend before it is debated and voted on in the Upper House”* Rev Nile added.

The Rally is organised under the auspice of “Stand4Life” and has received the full support and endorsement of the Rev Hone Fred Nile MLC of the Christian Democratic Party. A flyer is attached for more information.

**Reminder:**

The NSW Parliamentary Petition to stop the latest push to legalise abortion in NSW is still under way. A copy of the petition is attached. **Originals** should be returned as soon as possible to the address listed on the petition document.

There is also an online petition to oppose abortion in NSW, which will be used in parliamentary debates concerning the Bill in the Legislative Council next week. That petition is located [here](http://chng.it/SgfTHWjm) (<http://chng.it/SgfTHWjm>).
