UNIVERSITY OF WESTERN SYDNEY

CORONA VIRUS

For immediate circulation

The following *Question on Notice* to Premier Gladys Berejiklian will be tabled at the NSW State Parliament today by the Rev. Hon. Fred Nile MLC:

- **Is the government aware of the report in *The Australian* by Will Glasgow and Heidi Han of 20 February 2020, titled “Western Sydney University pays \$1500 to Chinese students to help beat travel ban”?**
- **Can the government advise whether this is true, and if so, who exactly is responsible for this university policy?**

- **How many students have indeed beaten the travel ban at that time, and have they been tested for the Corona virus?**
- **Finally, can the government further advise what actions have or are intended to be taken against the responsible parties?**

The question is based on a report in *The Australian*, and electronic version of which can be accessed at this [link](#).
