

Dear Members & Supporters,

We are excited to inform you that The Christian Democratic Party will be contesting Eden-Monaro By-Election (date to be advised by the Australian Electoral Commission). The CDP Board has pre-selected Narelle Storey who is a CDP candidate, resides in the Eden-Monaro electorate and is an active member of her community. More can be learned about her in the brief biography below:

Narelle lives on the far south coast, caring for her son and grandson, both with special needs. She has degrees in Science (Anatomy), Chiropractic, Remedial Massage, Sexual Health and Christian Ministry. She is passionate about Organic food production, green technologies, land lease communities for the poor and indigenous restitution. She lost her home in the 2019 New Years Eve fires and is actively involved in rebuilding initiatives, starting 'ReStore Australia', a "buy from the bush/keep it local" web based portal to facilitate volunteering, community exchange and support for local businesses and artisans with a free online store.

Rev Fred Nile MLC has endorsed Narelle Storey *"I am very pleased that Narelle has agreed to stand and that the party has endorsed her and we urge all our caring Australians in the Eden-Monaro electorate that they vote 1 for Narelle"*

We highly encourage our members and supporters to campaign for and support Narelle in Eden-Monaro.

To volunteer please contact CDP Head Office:
