SPECIAL MESSAGE:

THANK YOU FOR PRAYERS AND SUPPORT

Rev Fred Nile MLC would like to thank all those in the 24/7 Prayer on Eagles Wings Prayer team and CDP Prayer supporters who have been offering prayers over the last few weeks in support of the Anti-Discrimination Amendment (Religious Freedoms and Equality) Bill 2020, re-introduced by Hon Mark Latham.

The Bill, which was originally introduced into the Legislative Council by Rev Hon Fred Nile and is being co-sponsored by the Christian Democratic Party, is very much the focus of our efforts in 2020.

However there is still a great deal of work to be done in convincing enough Members of Parliament to support it when it comes to the debates and final vote. This is a colossal task: we are playing the role of young David, who faced Goliath in battle just as we are facing a well organised army of radical atheists who do not want people of faith to have their civil rights protected at law. But we believe that ultimately we will prevail!

We would also like to thank all those who have prayed for justice to be done in the Legislative Council this week. Last week's press release outlined key aspects of the legislative programme that the Christian Democratic Party contributed to since last Tuesday. Several important votes were won, and I strongly believe that your prayers played an important part in ensuring that righteousness triumphed.

The next scheduled sitting week will be in Tuesday 15th September 2020. I look forward to continuing my working for you in the Legislative Council.

Please continue your prayers; especially to include Zoe's Bill.
