## **MEDIA STATEMENT**

In response to the recent defamatory Sydney Morning Herald article of October 1, 2020 Rev Hon Fred Nile MLC makes the following statement:

*"I am shocked and appalled by the false assertions and allegations that the CDP is facing deregistration. The facts are that **we successfully re-registered the CDP Party in August, 2020 with the NSW Electoral Commission.**"* states Rev Hon Fred Nile. *"These assertions made in the article have been fed to the media by individuals who are hostile to the CDP, it's Board, and the Party's Representation in the NSW Upper House."*

*"These assertions are of course disputed, and the matter is currently under legal advisement. We will be fighting this defamation vigorously and it will be proven that we have been victimised and slandered by a seditious rebel group within the Party. The CDP Party and my name will be vindicated with God's Righteous and Just Hand."*  
Rev Hon Fred Nile
